Theme:

Transportation/Working Machines

Language Arts: Dump trucks, snowplows, tractors, and delivery trucks are examples of the working machines we will discuss using our picture file. The action words, Come and Go, will be introduced this week.

Concept: We are sure to have fun driving our trucks and cars through the sand at the sand table. Our group activities will include the tactile bag and completing a transportation sort.

Craft & Writing: The children are improving their skills as they practice printing their names several times a week. Our cars will be getting a bath at the shaving cream car wash. A truck will be created with many different shapes and Valentine's Day crafts will be created!

Motor: Balls made of crumpled paper will be bounced on the parachute. The rocking boat will enhance our sense of balance.
