

# Junior Journal

## Theme:

### A Trip to the Zoo

**Language Arts:** The *think link* activity enhances our discussions about which animals are found in the zoo. Did you know that Old McDonald had a Zoo? The children will enjoy singing about which animals lived in his zoo and play a riddle game where the children have to guess which animals are hiding.

**Concept:** This week, our classes will embark on a learning adventure to the zoo! Students will discuss and discover the traits, habitats, and names of all kinds of zoo animals. Our sand and water tables will provide us with opportunity for animal play, and we will hone our skills of perception using our tactile bag. What wild fun!!

**Craft & Writing:** Our cutting skills are improving! This week we will practice cutting a double curved line. A lion craft will come home this week.

**Motor:** We will practice our balancing skills on the balance beam and stair stepper. We will also use the tumbling mat to perform some animal actions.

### Don't Forget

- **Parent/Teacher Conferences**-Monday and Tuesday, February 18 & 19. Center closed to Preschool students.
- **Have you registered for the 2019-20 school year yet?** All families need to re-register for the new school year. Space is limited, register soon!
- **Summer Camp**-Registration for our "STEAM" Into Summer themed Summer Camp. A \$30.00 activity fee is due along with the summer camp form.
