LANGUAGE ARTS: This week we will be traveling through space. Special stories will be read to reinforce our theme, so if your child has any books about space, please bring them in to share with the class. We will also continue to work on stories 1-4 and letters Aa-Rr.

CRAFT AND WRITING: We will be working on pattern papers along with tracing our numbers. The letters Qq and Rr will be worked on. The children are doing a great job tracing their names, so we will continue to work on this. The children will also be working on an out of this world art project to reinforce our theme of space.

CONCEPT: The letters Qq and Rr will be added to the shelves this week. The children will also be working on space jobs such as puzzles and file folder games. Guess which number is missing will be one of our math concept activities. The children will also continue to practice counting by 2's.

MOTOR: This week the children will be using the rocking boat as a spaceship and using the tumble mat and ball and wand. We will be going outside; weather permitting. Please be sure your child is dressed for the weather-coats, hats, and gloves/mittens.

Song of the Week:

“Twinkle, Twinkle Little Star”

Twinkle, twinkle little stars,
Friends of Jupiter and Mars.
All you do the whole night through,
Is twinkle, twinkle, twinkle.
Shine on shine on friends of mine.
If wishes really do come true,
Please oh please oh please come true.
The wish I wish tonight on you,
Then tomorrow all day through,
I'll twinkle, twinkle, twinkle.

Have an outstanding week!
