**Language Arts:** The children will love Dinosaur week! The children will have the opportunity to turn their voices into the sound of a T-Rex when they speak to it. With the help of our dinosaur puppets, we will learn how Dinosaurs lived. Many finger plays such as, *Five Little Dinosaurs* and *Look Who's Coming*, will be a fun addition to our week.

**Concept:** The children will enjoy an activity of seriation and sorting different dinosaurs. We will use sponges in our water table.

**Craft & Writing:** This week, we will celebrate Valentine's Day by coloring holiday related papers. We will finger paint a dino and make muddy dino tracks. Dot paints will also be used this week.

**Motor:** Following directions using different shapes and exercising will be a great way to start off the week. The children will pretend to be dinosaurs as they crawl on all fours around the classroom.
