The theme is farm this week. We will listen to the flannel board stories "Colored hens", "Out in the barnyard", and "5 green and speckled frogs". We will look at pictures of animals on the farm and talk about what sounds they make.

Motor

Animal bowling, balancing games, toss the ball in the bucket, jumping on colored tiles.

Concept

This week we are talking about farm. We will review the letters A and B and sort animals on the flannel board. We will sing "___ has the red cow/blue horse" to review colors red and blue. We will also sort blocks by shape.
