Introductions:

Story: #8

Reading Vocabulary: *look, at, is, big*

Mrs. Paula, Mrs. Amanda, Mrs. Karen, Mrs. Cathy, and Mrs. Susan

Language Arts: We all know how children pretend to be mom, dad, doctors, and lawyers, well now is the time to ignite our future leaders. Our discussions about *community* and *careers* will be explored through books, music, and dramatic play. Stories about Valentine's Day will also be shared.

Concept: The Tactile Bag teaches us how to use our sense of touch to identify objects. In Science, a scale is used to weigh a variety of objects as we explore the concept of *weight*.

Craft and Writing: We are going to focus on our fine motor skills with lots of cutting. The children will create many Valentine crafts to help decorate our classroom. We will practice tracing our first and last names.

Motor: While on the balance beam, we will work on walking backwards, side stepping, and walking over items. We will exercise to keep our bodies healthy and strong.

Happy Birthday
