Valentines

Valentines, Valentines, how do you do? Valentines, Valentines, we're glad to see you!
We will kick off our Valentines week discussing places we'd like to visit in our community.
A new manner will be introduced this week; "Listen when other people talk."

Mrs. Paula, Mrs. Karen, Mrs. Amanda, Mrs. Cathy, and Mrs. Susan

Language Arts:

Story # 8 will be introduced along with the new vocabulary words at, is, and big. We will also spend time reviewing and singing songs. We plan to read a plethora of Valentine books. One that stands out is "The Invisible String" by Patrice Karst.

Concept:

In addition to checking out all the communities within the state of Illinois, we will be practicing our math skills with the Golden Beads. Several fun math games will encourage us to learn how to add and subtract.

Craft and Writing:

Our papers will contain matching letters and filling in the missing numbers. Many Valentine crafts will be created on our party days. We will discuss the work of artist Leonardo da Vinci, and his painting the Mona Lisa. The children will create their own painting as well.

Motor:

Let's move to the beat of our hearts, as we review our action words. Playing a "follow the directions" game is a great way to keep our hearts healthy and our listening skills toned.

★ STUDENT OF THE WEEK ★

Sylvia Cripe
