Transportation

Dr. Seuss' birthday is Saturday, March 2, and we would like to celebrate on Friday, March 1. Please have your child wear something red, white, and black. Also, your child may bring in their favorite Dr. Seuss book to share with their classmates. Make sure their book is labeled with their first and last name.

Have a great week!

Mrs. Paula, Mrs. Amanda, Mrs. Cathy, Mrs. Karen, and Mrs. Susan

Introductions

Shapes: *octagon, trapezoid*

Bit Cards: Musical Instruments

Language Arts: This week, the children will discuss the fact that some vehicles used for transportation, such as trains and pick-up trucks, are also working machines. As a language activity, the children will learn some interesting facts about their friends as they interview them.

Concept: Positional vocabulary is reviewed this week. Using a stuffed toy, a block, and a bowl, our understanding of the words *under, over, and in* will be enhanced. The rice table will feature cars and trucks.

Craft and Writing: *Octagon* and *trapezoid* are introduced throughout our papers. Up, up, and away we will go, in hot air balloons that we create. Dr. Seuss hats will be created in honor of his special day.

Motor: We will continue to practice finger spelling our names in sign language. The exercise mat will be used to practice our front rolls as winter is keeping us inside. Bowling is a great game for inside. Who can bowl a STRIKE?

Reminders

- Have you registered for the 2019-20 school year? Hurry...there are a few openings left.
- Don't miss out as we "STEAM Into Summer". Register for Summer Camp today!
- St. Patrick's Day celebration-March 15
