

Toddler Times

Week 27 & 28 February 18th - February 22nd & February 25th-March 1st, 2019
Theme: Healthy Kids

Language Arts:

"This is the way we wash our hands, wash our hands, wash our hands, wash our hands, this is the way we wash our hands, early in the morning!" During the next two weeks, we will be discussing hygiene and how to keep our growing bodies healthy. Our class will learn songs about brushing our teeth, washing our hands and how to catch our coughs.

Germs are yucky, so let's remember to keep our bodies clean.

Motor:

Let's explore the doctor's office prop box and help each other learn about going to the doctor. We will learn to clean our bodies by playing a game of following directions. We will also put our bodies to work as we learn to stay healthy by exercising.

Concept

Scrub-a-dub, dub we've got baby dolls in our tub! Since we are learning about staying clean, we will help wash our baby

dolls in the water table.

We will also wash dishes from our kitchen and practice our squeezing skills as we squeeze the sponges. We will practice brushing teeth. We will also learn how to sort healthy vs. unhealthy foods.

Craft and Writing:

We will collage a toothbrush and paint colorful fruits and vegetables. We will also play with shaving cream this week and use other mediums to create fun art projects.
