

Nursery News

Week 29 March 4th-8th, 2019

Theme: Fairy Tales

Language Arts:

Mirror, mirror on the wall whose the fairest of them all? Our class will enjoy this little rhyme for an attendance game for the upcoming week while we explore fairy tales! Some of our featured flannel board stories will include Cinderella, Snow White, The Ugly Duckling, and Rumpelstiltskin. We will continue to review our phonics bucket and have some time to explore with books.

Concept

During our fairy tale week, we will enjoy counting the seven dwarfs from Snow White as we continue practicing our counting skills. We will also do a variety of big vs. little with Cinderella and other characters. The children will have fun exploring sensory bins and the water table as well.

Craft and Writing:

There will be a little magic added to our papers this week. We will create many magical projects that relate to our fairy tale theme.

Motor:

The children will have a great time participating in an obstacle course with different activities to get their bodies moving. We will also enjoy some blocks time as the we set them up like dominoes.
