

Kindergarten News!

Week 27
Feb. 20-24
Dinosaurs

Vocabulary:

zany- wacky

zealous- marked by active interest and enthusiasm.

Language Arts:

Our discussion about Dinosaurs was such a hit we've decided to extend it for another week.

Journals are off to a great start! Please remember it is perfectly fine to see misspelled words.. This is the purpose of the journal, to enhance their beginning writing skills. While the children are working on their spelling skills, Ms. Kim is watching for such things as periods, proper spacing between words and sentences and beginning with capital letters. The journals will be sent home for the parents to read periodically. We continue to review digraphs/blends in class everyday. The children are doing a terrific job!

Parent Teacher Conferences Monday February 18th. No half day (9:00-12:00) on this day.

Concept:

The introduction of fractions will take place this week, beginning with one-half and one quarter. We will use pizza and cookies to help us understand the concept better. Our clock study is going very well. We are going to spend one more week on the half hour, before moving on to fifteen minute increments.

Ms. Kim will have the children busy digging up fossils and hatching our dinosaur eggs. We've completed our word wall list! Now it is time for us to review all of the words! We have a lot to review!!

Happy Birthday to Alyssa Loya on February 20th
