

Young Nursery News

Week 25: February 11-15, 2019

Theme: Valentine's Day

Language Art:

We will be filled with love this week, as we get ready to celebrate Valentine's Day! The children will enjoy books, flannel boards, poems, finger plays, and songs on this holiday. We will also look at language development pictures of hearts, cupids, flowers, and sweets you might think of at Valentine's Day.

Concept:

We will continue to use a variety of active review games to help review previously introduced topics, and learn our new

shape, heart. Heart matching and sorting games will help the children learn their new shape, as well as review colors. In addition, the children will have time with the shelf jobs and sensory tables.

Motor:

As the cold weather continues, the children will enjoy some of their favorites indoors: the action word game, block bowling, color toss, and riding toys will be enjoyed by all! We will get outdoors if weather permits.

Craft and Writing:

The children will be practicing their cutting skills on fringe papers, color pattern papers, and create collages. Our fine motor skills will also be developed through playdoh and shaving cream play. Look for papers and projects on Valentine's Day to be decorating our walls, and coming home your way!
