

Pre-K Update

Week 25 Feb. 4-8 Topic: Transportation

Concept: Mrs. Ann's class has been working on number line activities such as finding the missing number. To review Winter (hopefully one last time!) the children will note the changes they've seen throughout the season. We will make a birdfeeder to help care for our Winter friends. The tactile bag has been filled with new, exciting items to explore.

Craft and Writing: Ms. Jen will shed much light on our transportation theme this week. Readiness papers will feature many different types of transportation as well the concept of under, beside and on top of.

Motor: In Ms. Cheryl's class the children will pretend they are the cars as they walk down a created road and bridge. The children will enjoy a fun game of Red Light, Green Light. The parachute will be flapping this week as the children bounce balls around on it. In addition to all his fun they will log roll down the tumbling mat and enjoy the obstacle course.

Language Arts: All Aboard!! Ms. Melissa's class will enjoy many exciting activities that revolve around our transportation theme. The children will compare and contrast the different modes of transportation and the many different ways they move. Ms. Jen will discuss whether they travel in the air, on the ground or in the water. Our word family practice is going well, the week we will work on the -am and -ap family.

Valentine's Party

Feb. 13 & 14

Please label each valentine "classmate" or "friend".

Introductions: Ss & Tt
Manners: "Take turns" and "Show good sportsmanship"
Vocabulary:
Tedious: tiresome because of slowness or dullness, boring
Stamina: the power to resist fatigue while working hard
Fable #8 – Jupiter and the Tortoise
Moral: Think before you speak.

Happy Birthday to...

Jimmy Walsh 2/4
Lucia Lugo 2/6
