Language Arts

Gather around as we discover many types of mammals both small and large. As we discover this topic, we will look at picture files of zoo animals. We will also learn new finger plays and several songs.

Motor:

Giraffes, camels, and horses oh my! The children will enjoy moving like the hooved mammals we are discussing. Weather permitting we will utilize the play ground as much as possible. While indoors we will be bouncing a ball,

balance, and hand eye coordination will continue to be our focus!

Concept

Alice the camel has ___ humps. Alice the camel has ___ humps so ride Alice ride. The students will love singing this song as we add or take away humps on our camel. This will support the children in number seriation. The students will also compare and contrast hooved mammals.

Craft and Writing:

Welcome to the jungle! Our class will continue reviewing letters and practice tracing. We will also create special projects during the week.

- Introductions: None
- Review: All that we learned
- Vocabulary words: Zoo keeper– a person who cares for a variety of animals.
- Star students: Addyson B. and Alex B.
