Feb. 4th-8th

Week 25

Theme: Transportation

IBits of Intelligence: Flowers

zoom: to move or climb quickly    New Story Words: Come, Go

Alexander Foster 2/2  
Caitlin McEnerney 2/6

Caden Menagh  
Weston Smith  
Vivian Lambrecht  
Valentina Scorzo  
Savannah Melanson  
Alex Corona

## Craft and Writing

Our week will begin with a Groundhog Day craft. For transportation week the children will be busy coloring in a dump truck and cutting out shapes for a garbage truck. Be on the lookout for some tracing worksheets this week.

## Language Arts

Ready, set, go! This week we will learn about ways to get around. Many flannel board stories and fingerplays will be enjoyed, some of which include "The Wheels On The Bus", "The Airplane" and "Car Ride". Feel free to bring in any pictures of transportation that you want to share.

## Motor

Ms. Hollie brings the theme to life this week as she brings out the scooters. The children will also have some fun with a path activity where the children can pretend to be a car, bus, train or even a boat. The children will also learn how to play Red Light/Green Light.

## Concept

On February 1st we discussed shadows and Groundhog Day. Will Spring be around the corner or do we have 6 more weeks of Winter? We will talk about different forms of transportation and do an estimation activity involving cars and trucks. Mrs. Barb will focus on how fast things move this week.

**Valentines Day**

Valentine parties will be held on Wednesday and Thursday, Feb. 13th and 14th. Your child is welcome to send valentines (10 per child). We ask that you address each valentine to "classmate" or "friend". Thank you

Parent Teacher Conferences are Mon. and Tues. Feb. 18th and 19th. No pre-school (9:00-12:00) classes on these days. Watch for your conference time to be sent home.

**SENSATIONAL SAVINGS**

Have you registered for Summer and Fall? Take advantage of **Half off Fall Registration.** Registration opens to the public on February 15th.
