

Junior Journal

February
11-15

Week 26

Topic:
Valentine's
Day

with
loving
care

What's new this week

Introductions: heart and star

Fable: The birds, the beasts and the bat.

Moral: Choose sides for what you believe in, not for what you might win

Concept

Mrs. Barb will introduce new shelf jobs that feature the shapes heart and star. For a valentine's treat the children will match numbers to corresponding hearts. As a science project Ms. Barb will make bird feeders for our fine feathered friends. The children will learn how the weather makes it difficult for them to find food.

Valentine Parties:
Wed. and Thurs.
Feb. 13th and 14th

Please label each
valentine "friend".
(10 per class)

Motor

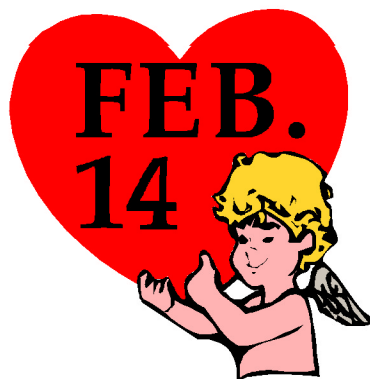

Ms. Hollie will have little feet busy as we try to stay on the balance beam walking forwards and backwards. Just to add a degree of difficulty, she will have the children practice keeping their balance while bending to pick up objects placed on the beam.

Craft and Writing

Our readiness papers will focus on our two new shapes. The children will enjoy a "lovely" Valentine's Day craft.

Valentine's Day

Thank you to all who
participated in our
Flat Stanley Career
Weeks!

Language Arts

This week we will focus on kindness, love and what it means to be a good friend. Mrs. Jackie has many valentine songs and stories to share with the class.

My Friend
(tune: Mary Had a Little
Lamb)

You're a special friend of
mine,
friend of mine, friend of mine.
You're a special friend of
mine,
Be my Valentine!

Parent Conferences

February 18 & 19
No preschool
(9:00-12:00) on these
days.

Don't forget to go the
the Bobbie Noonan's
Facebook page and
check out the Alsip
snowman. Please
"share" and "like".
Thank you!
