

Bobbie Noonan's Child Care
Tinley II
Toddler News
March 4-8, 2019

Theme:
Shapes

Introductions:
Number 4

Language:
This week we will review all the shapes we have learned! We will also read books to help us with the different shapes and how many sides they have!

Motor:
This week we will work on using our arms to go over rolling. We will use the cardboard blocks to create a bowling alley and try rolling the ball to the shapes we have learned.

Concept:
This week we will go over our calendar and talk about the new month. We will continue to work on our shelf jobs to help us review our new shapes and to introduce the number 4.

Craft & Writing:
We will work on papers to help us review our shapes. We will also work on creating projects to help us learn about our favorite shape. We will also work on papers to reinforce the number 4.

Reminders:
Remember that we can go outside daily when the weather permits (30 degrees or above, including the wind chill). Please make sure to bring a winter hat, gloves or mittens and a coat, so your child can stay warm!

Have a great week!
Miss Kristina & Miss Megan
