

BOBBIE NOONAN'S CHILD CARE
March 4th- 8th, 2019

Theme:
Shapes
Introductions:
Oval and Rhombus

LANGUAGE ARTS: There will be plenty of *shape* finger plays and flannel boards taught this week to reinforce our *Shape* theme. A fun song, "What Shape Is This?" will be sung. This song reinforces shape recognition. Miss Amanda will hold up a shape and ask the children if they can name it. "A Lovely Triangle" will sure to be the favorite song this week. Check out the words to this song below!

CRAFT & WRITING: There will be many *shape* concept papers worked on this week. We will mosaic small *circles* onto a large *circle* and small *squares* onto a large *square*. We will also work on special shape papers to help review what has been introduced throughout this year as well as papers to introduce our new shapes oval and rhombus.

CONCEPT: There are plenty of shapes to celebrate this week! We will begin the week by sorting shapes. All six of the shapes we have learned will be sorted into groups. Puzzle are always enjoyed, and this week will be no exception as new shape puzzles make it's way to the shelf. And we will use our imaginations and create foods using shapes.

MOTOR: Can you jump on a star? What about a rectangle? Can you make your body into a triangle? We will attempt to do just that as we have a shape jump activity and we use our bodies to make shapes. Music and movement CD's will be enjoyed, especially the "Freeze Dance".

Have a great week!
Miss Amanda & Miss Erika

"SONG OF THE WEEK

"A Lovely Triangle"

(Tune: "You Are My Sunshine")

I'm a triangle.
A lovely triangle.
I have three sides.
They're all the same.
I have three corners.
Three lovely corners.
I'm a triangle.
That's my name.

Registration

Have you registered yet for
summer camp and fall 2019-2020
yet?

**Please remember to sign your
child in and out every day!!**
