

Junior Journal

Week 31: March 25-29, 2019

Theme: Ocean

Language Arts:

The Juniors will continue their study of animals with a focus on ocean creatures this week. The children will enjoy several selections on various fish and other sea life. We will play several phonics games to help us learn and recognize Uu and Vv.

Concept:

The children will be introduced to several animals, plants, and forms of transportation that you may see in an ocean. Ocean animals and

seashells will fill our estimation jar and water table. We will be turning the classroom into a beach!

Motor:

We hope to get nice spring weather, we will take the majority of our activities outdoors. Indoors, we'll enjoy the parachute and obstacle courses.

Craft and Writing:

The children will have fun painting and coloring ocean animal pictures. We

will also be practicing our new letters Uu and Vv, and reviewing past letters and numbers. The children will also practice following coloring directions this week!
