**Language Arts:** Let us put on our scuba gear and get ready for a swim as we dive into ocean week! We will be exploring what lives, grows, and swims in the ocean. A new “fishy” review game will be played and “Rainbow Fish” will be read. Some of our favorite “fishy” songs will be sung including “Fishy, Fishy in the Brook” and “All the Fish.” We should have a “whale” of a good time!

Fishy, Fishy

Fishy, fishy, in the brook,  
Daddy caught him with a hook  
Mommy fried him in a pan,  
Baby eat him as fast as he can!

**Concept:** The children will enjoy estimating our sea creatures as well as playing an ocean matching game throughout the week. We will dive back into the ocean and look around for sea creatures at the water table. As we walk the plank, we will be counting all of the mammals on the great ocean floor!

**Craft & Writing:** All the fish are swimming in the ocean! We will have fun as we begin our new theme. We'll explore what creatures live in the ocean while experimenting with orbeez as a sensory activity.
