## Language Arts:

With the help of finger plays, flannel board stories, and songs, we will talk about all the different things that happen when we change seasons. Some of these stories include "It's Raining" and "Spring Colors". We will enjoy singing *Rain, Rain, Go Away*.

## Concept:

If the weather permits, we will take a walk outside to enjoy the signs of Spring! We will add a seriation and a matching game involving rainbows to our shelf.

## Craft & Writing:

We will be making butterflies and other Spring crafts to help decorate our classroom and your house too! Watch for them to come home this week.

## Motor:

The ball and wand will help with our eye/hand coordination. We will practice walking up and down the stair steps holding a stuffed animal, and then jumping into the hula hoop.

## Spring Celebration

The season of Spring is almost here, and we can't wait!! We have many exciting activities planned for this special day. Each class has been designated a special color to wear on **Thursday, March 21**.

Mrs. Vickie's class is wearing the color **yellow or orange**

Mrs. Cheryl's class is wearing the color **blue or purple**.

Mrs. Joanie's class is wearing the color **green or pink**.

## Theme: Spring

We are patiently waiting for our new season to arrive, **Spring**. We will talk about the changes in the weather, flowers blooming, birds returning, and the sun shining longer.

Have a great week!
