Language Arts: Through the use of finger plays, flannel board stories, puppet play, and many stories, the fact that shapes are all around us will be explored. Did you know that Cookie Monster likes cookies of every shape? The story, "Cookie Monster's Book of Cookie Shapes" is sure to be a class time favorite.

Concept: Jobs pertaining to our new shapes, oval and rhombus, will be added to our shelves. We will work together on shape matching and one-to-one correspondence. We will have fun using tongs at the water table.

Craft & Writing: Many projects will help with the review of the many different shapes we have learned, including our two new shapes. Play doh play will help strengthen our fine motor skills.

Motor: This week, we will be continuing our exercises and target practice. Shape toss and shape relay will help with our daily review. We will march around the room to music with our shapes.

Important! Parents, make sure your child is dressed for the weather. Coats, hats, and gloves may be necessary for outside play.

Theme: Shapes

Shapes are all around us! The children have already learned several different shapes and throughout the week they will explore different concepts of these shapes. The shapes **oval** and **rhombus** will be introduced this week.

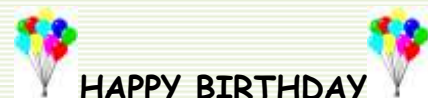

Have a great week!

Mrs. Cheryl, Ms. Vickie,

Mrs. Joanie, & Miss Michelle

Reminders and Upcoming Events

- Have you registered for the 2019-20 school year for our summer camp? There are spots still available. Request your registration form today!
- Take advantage of our referral program. Refer a friend or family member and receive free tuition for one week. Ask Mrs. Geri for details.
- **Spring Break**-March 25 thru 29. No preschool classes.
