HAPPY BIRTHDAY

Bronson Wohlberg 3/18

Language Arts: Frogs, lizards, crocodiles; how many reptiles can you name? Our discussions of reptiles will include where they live and what they eat. Our new story words will be added to our Reading Stories.

Craft and Writing: This week, the children will make an alligator and snake to enhance our theme. We are also working on numbers and identifying opposites.

Concept: We will discuss the season of Spring and all of the changes we can see. Using tweezers, our fine motor skills will be enhanced as we pick items out of a bin. We will be on the lookout for reptiles this week, as well.

Motor: Spring has Sprung! Outside activities will include a reminder of all the playground rules. A mini obstacle course will get our body parts moving slowly like our reptile friends. We will move like *frogs*, *snakes*, and *turtles*.
