April 1, 2019
Ocean Animals

Introductions:

Our discussions about the *ocean* and *ocean animals* will take us into the deep, dark sea. If anyone has a special shell they would like to share with their classmates, please put it in a baggie labeled with your child's first and last name.

Mrs. Paula, Mrs. Amanda, Mrs. Cathy, Mrs. Karen, and Mrs. Susan

Language Arts: Our next Bold Beginning story will be introduced along with the new reading words *My*, *Blue*, and *Boat*. We will play a find and rhyme game, and read many nature stories featuring reptiles.

Concept: This week, the study of *Wind* will be conducted. Wind plays an important role in our world, as we will soon discover during the week. Wind is a factor in how high the waves are in the ocean and a simple experiment will illustrate how we can move an object without touching it.

Craft and Writing: We are reviewing the alphabet, numbers, and colors this week. The children are creating their very own sharks and goldfish. Playdoh and cutting will help strengthen our fine motor skills.

Motor: Noonan's Team will be outside working on our basketball skills. Let's pretend to dive like dolphins and have relay races in our play area. Please dress for the morning temps.

Reminders and Upcoming Events

- Have you registered for the 2019-20 school year for our summer camp? There are spots still available. Request your registration form today!
- Hearing & Vision testing is April 8 and 9. All children will be tested and you will be charged, unless you decline this service.
- **Easter Parties**-April 15 & 16. Don't forget to wear your Easter hat!
- **Egg Decorating**-April 17 & 18.
- **Good Friday**-Daycare only.
- **Parent's Day**-Saturday, April 27.

HAPPY BIRTHDAY

John Frederick 4/2
