Theme: Insects/Spiders

March 25-29

Week 32

Picture Day

Cap and Gown pictures are scheduled for Tuesday, April 2nd. The gown is red and is open at the neckline. A shirt or dress with a collar photographs well for the girls and a shirt with a collar or tie looks great on the boys. It is difficult for the photographer to adjust the cap over large bows, barrettes and ponytail holders. Picture envelopes are a PRE-PAY and are due prior to picture day. All Kindergarten students will take Spring photos also. A proof will be taken and at that time you can decide if you would like to order. Please note – Kindergarten students take both Spring and Graduation photos.

Language Arts

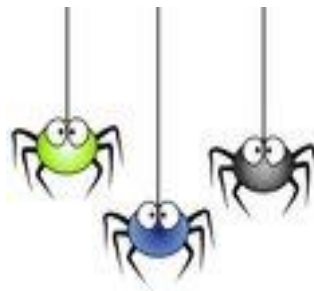

Extra time will be spent this week reviewing our blend/digraph sounds, as well as opposites and contractions. We have begun working on reading comprehension worksheets. This skill will help the children in first grade. We are also working on compound words and contractions.

Social Studies : Iowa and Kansas are our two new states.

What's New This Week

Proverb: Practice makes perfect.

Concept

Insects and spiders are the topic for the week. We will investigate what makes a species an insect or a spider. The children will learn the parts of an insect, which include the head, thorax and abdomen. Ms. Truesdale will also help the children understand why insects and spiders are important to our environment.

We continue to work on concepts of time and money. The children will begin earning money this week which can be used for purchases at our Kinder-Mart store. Money is earned as follows:

- ✓ .15 cents for coming into class and leaving at pick-up nicely.
- ✓ .10 cents for showing respect to others
- ✓ .5 cents for pushing chair in and a clean desk
