Theme: Fairy Tales

Introduce: Dd

Week of 3/11

Language Arts: Fairy tales– we love them! This week we will be enjoying the tales of *The Ugly Duckling*, *Snow White*, and *Cinderella*. Our new letter Dd will be introduced.

Concept: This week in concept we will be talking about Fairy Tales. We'll be counting Snow White and her seven dwarfs using number cards. The children will also count fingers on a number hand and count the corresponding number of objects. The children will have fun playing a size shamrock matching game.

Art: The children will have a busy week in art coloring, mosaicing, and painting our new letter Dd. We'll also be working on pattern papers pertaining to our theme along with some special St.Patrick's Day art projects.

Motor: In motor we will continue with our body parts game. The children will also use the parachute and practice rolling the ball to each other. We'll play block bowling with our new letter Dd. Hopefully the weather will cooperate and we can go outside!
