Introduce: Story # 5 (older 2's & 3's)

Review (younger 2's)

Language Arts- We will talk about what a farm is, crops, farm machinery, farm animals with songs and flannel boards. We will also have fun singing, reading stories, doing fingerplays and enjoying a book "Ping Pong Pig".

***If possible, have your child bring a toy or stuffed farm animal to share with the class.**

Concept- We will be introducing a new clapping pattern. Also, we will explore with our tactile box and continue to talk about "what doesn't belong." The children will have fun comparing, contrasting farm animals and their lifestyles. In science, we will start planting.

Craft and Writing- We will be working on number review papers and practice tracing our names. Many fun farm animals and farm machinery papers will keep us busy!

Motor- Play "Duck, Duck, Goose" .
