## Language Arts

Mrs. Jackie will explore many of the animals that live in the ocean. She has many songs, flannelboard stories and books to share. Please feel free to bring in an ocean book to share with the class.

## Craft and Writing

Splash....right into the Junior room this week. We will have many fun-filled ocean papers to do this week. Ms. Sam will reinforce the letters Qq and Rr and introduce our last two colors, pink and white.. Our focus for the week will be lacing and cutting practice.

## Concept

We will explore our oceans, learning about oceans, learning all about various fish and sea creatures. The children will use shells for counting, sorting and seriation. An ocean sensory box will keep the children engaged. Mrs. Barb continue to discuss the Five Senses with the children.

## Motor

Mrs. Hollie will have the children swimming like fish and crawling like crabs through her room this week. Basketball, hopscotch and a fishing game are a few favorites on the agenda.

Please refrain from bringing toys or stuffed animals from home.  
Thank you

## Spring Break
