

Two's News

Week 33

April 1-5

Topic: Fairy Tales

Introductions: action words Run and Jump

Bits of Intelligence: Flowers

Language Arts: Mrs. Christine has a fun fairy tale week planned. The children will enjoy many "big book" stories. Some stories are "Cinderella" and "Snow White". We will also review the fingerplays "Two Little Blackbirds" and "Five Little Monkeys". The children will have a fun-filled fairy tale week. We will also play dress up this week.

Concept: The children will be so excited as Ms. Sara has their favorite activities planned. We'll start off the week with some special group activities such as counting Snow White's dwarfs, fairy matching and much more. The children will have fun working with blocks and the kinetic sand bin to build their own castles.

Craft and Writing: Mrs. Nicole has lots of fun things planned this week. We will be using water color, chalk, colorful sand and foil to make some of our favorite fairy tales. We will also enjoy playdoh and shaving cream. Watch for a special craft to come home.

Motor: We love practicing our morning dance routine! Dancing helps us work our muscles.

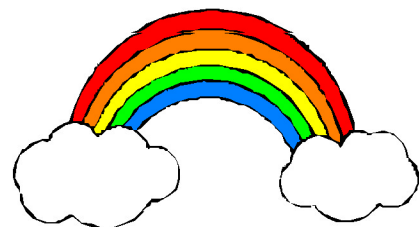

Parent's Day
April 6th at 9:30am

Spring Picture Day
Tuesday, April 2nd

Spring Break

April 15th - 19th
