Week 31 March 18-22 Theme: Spring

Language Arts

Our first Spring writing project is due to arrive home this week, focusing on proper penmanship. Readiness papers are sure to include many facts about Spring. We continue to review blends and digraphs. We will also review silent e, two vowels together and our word wall words.

Concept

The children will complete papers that reinforce counting quarters. This will help to prepare the children for the opening of the Kinder-Mart store on Friday, April 5th. The children will earn money based on the following things:

.05 cents for raising your hand to speak during class

.05 for using good manners and respectful words with the teacher and other students

.10 cents for pushing chairs in and desks organized and clean

.15 cents for entering and leaving school nicely

On shopping days the children will have to decide if they want to spend their money or save it for a higher priced item. Happy Shopping!

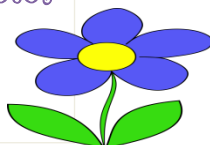

Attention Parents

On Wed., March 20th the Kindergarten room will celebrate the arrival of Spring. We call this special day Color Day and celebrate by wearing a color chosen by the class. The color **ORANGE** was chosen this year.
