Pre-K Update

Intro: Yy, Zz

Theme: Weather
Week 32
March 25-29

Language

A chance of rain? This week Mrs. Melissa will be talking to the children about the different types of weather. Many books and cute finger plays will also be done this week. The letters Yy & Zz will be introduced. We have been enjoying music weekly and have been practicing our year end program songs!

Craft and Writing

This week we will be reviewing our numbers and alphabet. The letters Yy & Zz will be introduced as well. We will practice cutting and glueing. Shaving Cream Clouds will be added to the fun!

Save the Date

Picture Day: Tues. April 2nd
Parents Day- Sat. April 6th @ 9:30am
End of Year Show- Sat. June 1st @
2:00pm Prairie Junior High.

Concept

This is a fun and exciting week for the children to learn about different types of weather. Mrs. Ann has a science experiment planned making rain and clouds in a jar. The children will be voting on which season is their favorite and answering questions such as "Where does rain come from"?

Motor

This week we will go outside and enjoy the spring weather. We will have relay races outside and set up an outside obstacle course using some of our playground equipment. The parachute will also be brought out.
