

# Junior Journal

**Week 30**

**March 11-15**

**Theme: The Farm**

**Language Arts:** The children are sure to have fun this week as we learn about what animals you might find on a farm. Favorite flannel board stories include "Five Little Farmers", "Thank You Cows", and of course, "Old MacDonald!" Mrs. Jackie continues to review our story words – Run, Jump, come, go, Taffy and Apple. The Riddle game will finish off our week as the children guess which animal Mrs. Jackie is describing.

**Concept:** The children head outdoors to go on a nature walk to observe signs of Spring. Ms. Barb has several compare and contrast activities on the agenda, one involving a tomato and apple, another a horse and a cow. Pop-pop-pop will be heard as the children use whisks to make bubbles in the water table. Ms. Barb will review number concept and recognition.

**Craft and Writing:** Ms. Sam has more farm fun planned. She has had the children working hard on name printing. Remember that only the first letter is a capital, please reinforce this at home.

**Motor:** Mrs. Hollie stays on theme this week with a fun game of Duck, Duck, Goose. The children will practice walking, turning and side-stepping on the balance beam. Our path activity will include use of the stairs and balance beam. A game of Freeze will add some fun to our week.
