Week 31 March 18-22 Topic: Spring

Introductions: come & go Bits of Intelligence: Flowers

Language Arts: Mrs. Christine loves Spring and has quite a few fun new songs to share with the children, such as "Mr. Sun" and "Baby Bumblebee". Books for this week are titled Spring Changes and Splish, Splash Spring. We will also discuss what activities we can participate in during the Spring and what kind of clothes we wear. We will talk about what happens with plants and animals in the Spring. Our flannelboard will feature a little frog, a little yellow duck and a hungry caterpillar.

Concept: Ms. Sara is hoping the weather will warm up so we can enjoy taking nature walks outside in our backyard. We will keep an eye on our plant and tree outside for growing leaves. Ms. Sara has many fun Springtime shelf jobs to share. The children will enjoy learning about rain and how it helps plants grow.

Craft and Writing Mrs. Nicole is super excited to Q-tip paint a dandelion this week. The class will surely enjoy some sensory fun while fingerpainting. You can expect to see many springtime crafts and papers coming home to decorate your fridge. Special PURPLE color clay crafts will come home this week.
