

Junior Journal - Worth

Week 33

April 1-5 Topic: Plants

Bits of Intelligence: Musical Instruments

Expressive Vocabulary

glorious - full of grand beauty

Fable: The Grasshopper and the Ants

Moral: We should always make plans for the future.

Save the date!

The date for our Spring Music Program is June 1st at 1:00 pm at Prairie Junior High in Alsip.

Concept: This week we will venture outdoors to observe the various plants found in our backyard. We will compare and contrast the difference between plants and trees. Once inside, Mrs. Barb will have the children observe plant seeds that we have planted to see if they are growing.

Language Arts: The Juniors will be working hard practicing for the Spring Program. A discussion about plants will include such facts as growth and the importance of sunlight, water and soil. Weather permitting, we will be reading stories outside.

Craft and Writing: It's sure to be a busy week in Ms. Sam's class. The children will work on readiness papers featuring all of the concepts they have learned. Also, the children will begin working on a special craft in preparation for Parent's Day.

Motor: Mrs. Hollie will treat the children to plenty of fresh air this week as they take to the outdoors. Path activities will involve the steps, jumping over blocks and tossing a ball to the teacher. A few old favorites such as bowling, freeze, hot potato and musical mats will be enjoyed by all.
