Language Arts: “Howdy Partners!” These next two weeks we will be “down on the farm.” We will be talking about animals, equipment and gardening. The boys and girls will have fun singing “Old McDonald Had A Farm.” Also, we will enjoy reading “Driving my Tractor” and “Farmyard Friends.” We will continue to review all the letters that we have learned.

Concept: This week the children will enjoy doing a variety of activities related to the farm. To start off the week we will be talking about how farmers plant and harvest. We will compare a cow to a horse and a chicken to a duck. Mrs. Lynn will add a new barn matching game to our job shelves. “Y’all come back next week for another rootin’, tootin’ week on the farm, ya hear!”

Craft & Writing: We’re on our way to the farm for the next 2 weeks. The children will also be very creative as we work on farm projects. Keep your eyes open for animals around our room! The children are still practicing tracing their names. It’s going to be a “farmtastic” two weeks!
