

# Toddler Times

Sept. 28-Oct. 2 Week 7

**Theme: Leaves are Falling**

**Book of the Week: Mouse's First Fall by Lauren Thompson**

The fall fun will continue this week as we create a Farmer's Market in our classroom for a dramatic play experience. The children will be introduced to a one to one correspondence activity where they will be asked to put one fruit or vegetable into a basket. This will help prepare our toddlers for the introduction of a new number, 1. We will also count various items around our room. Try it at home too!

Circle time will be filled with many themed songs, finger plays and flannel board stories. Some of these include "The Leaves on the Trees", "Apples and Bananas" and "I'm a Little Acorn."

For art time the children will paint with various are mediums such as pinecones and leaves. A beautiful fall wreath will be coming home this week, handmade with love by our tiny artists.

**Happy 2<sup>nd</sup> Birthday to
