

Junior Journal

Week 7

Sept. 28-Oct. 2

Theme: Nursery Rhymes

Introductions: Story #1 - Run, Taffy, Apple

Vocabulary: alert - quick to learn; ready
We need to be alert at school.

Bits of Intelligence: Midwest Wildflowers

Fable: The Tortoise and the Hare

Moral: Slow and steady wins the race.

Concept: Our science activities this week include a Humpty Dumpty science experiment with an egg. Numbers 3 and 4 will be added to our shelf jobs. We will also be focusing on estimating distance and height with blocks.

Craft and Writing: We'll keep our little artists busy as they create papers related to the theme of nursery rhymes. Also, readiness papers will reinforce the numbers 3 and 4. We will work on proper scissor skills as well as create an Itsy, Bitsy Spider craft.

Language Arts: In the Language room we continue to learn new nursery rhymes, fingerplays and stories. Baa, Baa Black Sheep and the Itsy, Bitsy Spider will be a part of our lessons this week.

Motor: We continue to enjoy this beautiful fall weather with a game of basketball. The children will be learning the basic skills of passing, bouncing and throwing a ball into a basket. There will also be a fun outdoor obstacle course that involves running, scooters and jumping.

Birthday Boy!!!!

Evan Cheek 10/01

Parent's Corner

Please label all items that come into school. We promote self-help skills so the children may at times put items on the wrong coat hook.

Reminder - We are closed on Monday, October 12th for All Staff Training.
