

Our Halloween parties are scheduled for
Thursday and Friday,
October 29 & 30.

We have many ghoulish activities planned as well as a special
Halloween treat.

Preschool children, children who attend the morning session only can
come dressed in their costumes.

For children who attend daycare (all day), have your child wear street
clothes under their costume or send street clothes for them to change
into. Teachers will assist your child with taking their costume off for
lunch and nap. Please leave all accessories at home.

If your child attends Thursday and Friday, they can dress up both days.

Reminder: Due to COVID-19 we are unable to pass out treats this
year 😞

Any treats and/or candy will be sent home.
