

Junior Journal

Theme: Safety

Language Arts: Our Picture File will help reinforce our *Safety* theme this week. We will discuss safety rules for school, outdoors, cars, bikes, and home. We will discuss types of people who have jobs that help us stay safe; such as firefighters and police officers. Our listening activity will enhance our patterning skills.

Concept: In concept class, we will be building our new shapes using a variety of materials. As a science experiment, we will observe a sweet potato plant as it grows. Finally, we will practice making patterns and sorting with buttons.

Craft & Writing: Finger painting and creating mosaics with our new shapes will keep us busy. A cute fire safety project will finish up the week.

Motor: We will be improving our balance skills using the balance beam. Students will also act out action words to complete our classroom path activity.

Scarecrow Contest

Don't forget to vote for "Poppy" our Scarecrow at the Founders Community Center in Frankfort or on the Frankfort Park District Facebook fan page.

Tell your family and friends too!!!

Employment Opportunities

Our numbers are growing and we are looking for two part-time teacher's aides at our center. If you or someone you know is interested please contact Mrs. Geri at 815/469-2627.

October 12, 2020

This week we will be discussing ways to stay safe. Our center is closed
