Week 9 October 12th - 16th, 2020
Theme: Safety

Language Arts:

Throughout the week, our class will be discussing the importance of staying safe at school and at home. We will learn about fire safety and how to dial 9-1-1 for emergencies. Our featured flannel board stories are "I'm a Little Firefighter", "Stop, Drop, and Roll!", and "Fire Safety".

Motor:

Stop, Drop, and Roll! The children will practice what to do in case of a fire. There will be opportunities to continue to work on hand eye coordination and balance. We will

continue to go outside weather permitting, please send warm coats, hats, and gloves.

Concept

Calling all firefighters, grab your hats, boots, and hoses! The children will have to put out the fire in our review game! We will also compare and contrast firefighters and police officers and their jobs when talking about safety!

Craft and Writing

Our class will be collaging our two new shapes, triangle and rectangle. As well we will be tracing shapes that we have learned. The children will be creating art work for safety week to bring home!
