Craft and Writing

Phonics and letter printing papers will keep us busy this week. The children will write about their favorite Halloween candy and what it means to be a good friend.

Math & Science

Our addition work will concentrate on our fact families for sums through 5.

In Science class, the children will begin to learn about Earth. Our discussions will focus on continents, oceans and what our earth looks like during the day and night.

Language Arts

Our focus will be on our new letters and the sounds they make. The story "How to Fill Your Bucket" will assist in learning how to be a good friend and spread kindness to our friends and family.

Employment Opportunities

Our numbers are growing and we are looking for two part-time teacher's aides at our center. If you or someone you know is interested please contact Mrs. Geri at 815/469-2627.

VOTE, VOTE, VOTE
