Palos Hills  
Nursery News

Theme: Halloween  
Introduce: orange and black  
week of October 26

**Language Arts:** It's going to be a great week. We will be singing some Halloween songs we have learned: "Roll That Pumpkin" and "Sometimes I like to Walk in the Dark." Let's sit and listen as Ms. Tammy reads some of our favorite Halloween stories. Can you guess what our new colors will be?

**Sometimes I Like to Walk in the Dark**

Sometimes I like to walk in the dark  
I like to shout and SCREAM!  
I sneak behind somebody I know  
Boo! It's Halloween.

**Art:** Our new colors are orange and black. Let's practice learning our new colors as we paint, color, and mosaic pictures of pumpkins, spooky black cats and spiders.

**Concept:** This week we are learning the colors of Halloween; orange and black. We will be adding these colors to our concept shelf. We will also be working on size seriation using pumpkins. Who's ready for a fun week?

**Motor:** Let's practice our bowling skills as we add orange and black to our block bowling game. Who knows how to jump up and down? We will find out when we jump on the tumbling mat. To celebrate Halloween we have plenty of fun games in store.

**Parents:** Our Halloween party will be Friday, October 30. Due to COVID, parents are not allowed to bring in any treats to be passed out. We will be providing a special snack and treats. Children are welcome to wear their costumes to school; remember a change of clothes for lunch and nap time.
