Week of 10/19

Introduce: triangle & rectangle

**Language Arts:** We will introduce triangle and rectangle and sing some of our favorite songs, finger plays and flannel board stories such as "Five Little Monkeys Swinging in a Tree," and "Five Funny Speckled Frogs." We will also be reading some of our favorite story books that include "Five Little Ducks" and "The Wheels on the Bus."

Five funny Speckled frogs,  
sitting on a speckled log  
Eating some most delicious bugs; Yum! Yum!  
One jumped into the pool,  
Where it was nice and cool  
Now there are 4 green speckled frogs; Glub! Glub!

**Art:** We will be painting, mosaicing and coloring things we like to do "Just for Fun." We will be making our own green speckled frogs to go along with our flannel board story. We will also be sponge painting and mosaicing a triangle and rectangle.

**Concept:** Get your thinking caps on! This week we'll be playing a matching game to introduce or two new shapes triangle and rectangle. Also this week we will introduce one to one correspondence and fun activities to go along with it.

**Motor:** We will be playing a bowling game to introduce our two new shapes triangle and rectangle. We will also be practicing our basketball skills by trying to throw the ball in a basket. We will have fun outside as long as it's dry. Please make sure your child is dressed appropriately and please remember to put your child's name on all of their belongings especially since the weather is changing. Thank you!
