

**\*\*\*Pre-Kindergarten News\*\*\***  
*for the week of 10/12/2020*

- **Theme:** Safety / Police Officers
- **Introduce:** li & Jj / triangle & rectangle
- **Expressive Vocabulary:** imaginary – *existing only in one's mind*  
jovial – *full of fun; merry*
- **Bits of Intelligence:** Sea Creatures
- **Fable:** The Fox and the Stork

**Language Arts:** The spotlight will be on safety this week as we begin a new unit in our room. The boys and girls will learn that safety means freedom from harm or danger. We will discuss the different ways we can stay safe at home and in school. We will learn about police officers and how important these special helpers are to our community in keeping us safe. We will also talk about 911 and in what types of emergencies we may need to use it.

I'm a police officer with my star,  
I help people near and far.  
If there is a problem, call on me  
And I will be there 1, 2, 3!

**Concept:** This week we will introduce button sorting. In science we will be sorting pumpkins in different ways and adding different sorting jobs to our shelves. Mrs. Tiffany will be introducing the concept of graphing; she will ask the children *yes* or *no* questions and graph the results. We will also place a sweet potato in water and watch the changes.

**Craft & Writing:** The children will work on some papers with tracing and identifying the sounds of li and Jj, matching our two new shapes; triangle and rectangle and make a Halloween craft to display. We are encouraging the children to practice printing their names at home to reinforce what is done during class.

**Important Dates:**

October 12.....**School closed/Teacher's Inservice**
