Orange & Black

Language:
It's Halloween week! We will be doing a fun flannel board story, "Five Little Pumpkins Sitting on A Fence" and we will read some Halloween stories.

Craft & Writing:
We will have fun this week as we create different Halloween projects. The colors orange and black will be used in our projects and papers.

Motor:
We will be taking out the balls to work on rolling and throwing the balls. The kids will have fun playing a new game called "Ghost Bowling" using the bowling pins and we will continue to work on our motor skill as we smash the spiders!

Concept:
The children will be introduced to the color's orange and black, and it will be added to our daily review and concept shelf.

Poem of the Week:

Halloween is Here

When goblins prowl,
and hoot and howl.

“Whooo! Whooo!”

When the witches fly,
and pale ghosts sigh.

“Oooooo! Oooooo!”

Boys and girls don't shake with fear,
It just means Halloween is here!

Have a fun and safe Halloween!
