Week 8: October 5th-9th, 2020 Theme: Folk Tales

Language Arts:

This week the children will be introduced to several Folk Tale stories such as Little Red Riding Hood, Goldilocks and the Three Bears, and The Three Little Pigs. We will explore finger plays, flannel board stories, and use puppets as we learn about this topic.

Motor:

“Take me out to the ball game, take me out to the crowd!” Our children will continue to enjoy our playground participating in some fall sports such as: baseball and soccer. This

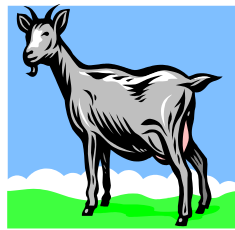

will help to enhance our hand/foot and eye coordination as well as improving our cooperation skills!

Concept

Mama, Papa, and Baby Bear need help finding the chairs that are just right for them in our seriation activity. The children must also work together to construct the Three Little Pigs’ houses!

Craft and Writing:

Our class will work on collaging the letters Ee and Ff. We will work on our scissor skills as we cut paper and continue to practice tracing our name papers and letters.
