### Pre-School Parents:

Winter weather is upon us. Please make sure you are pulling up far enough to allow three cars access to the entrance at one time.

Also, please label all outerwear.

## Language Arts

We will focus on the letters Mm and Nn and their phonetic sounds this week.

Our theme for the week's discussion will include "Who are the people in your family?" "What does being a member of the family mean?" The children will also enjoy finding out which gender outnumbers the other within the home, girls or boys.

Please send in a family picture for us to share.

## Craft and Writing

We begin the week with a special family paper.

Our readiness papers will include the letters Kk and Ll. Our little hands will be busy working with scissors this week. We will also be making pumpkin playdoh to enjoy.

## Motor

In the motor room the children will play Hot Potato, bowling and musical rugmats. Our path activity will include hula hoops to jump in and out, cardboard blocks to jump over and the balance beam.

The tunnel will be brought out to add to the fun!

## Concept

Our math study will have the children moving forward and backwards on the number line. This will help the children understand the concept of what numbers come before and after.

Happy Birthday
