

Toddler Times

Oct. 12-16

Week 9

Theme: Pumpkins

Introductions: Review all concepts introduced

Book of the Week: Apples and Pumpkins by Anne Rockwell

Show-N-Share: This week we would love if you could bring in a pumpkin of any size for the class to learn and explore with.

Now that fall weather is in the air and Halloween is approaching we are going to explore the topic of pumpkins. We will learn a new song called "Roll That Pumpkin Down to Town" and enjoy a flannel board story called "Five Little Pumpkins. The children will also go on a pumpkin hunt.

Sensory play will provide a squishy new experience as we make pumpkin Oobleck. We will strengthen our fine motor skills with a glue bottle squeezing activity as we decorate pumpkins in a unique way for our classroom.

The color orange will be reviewed and the children are going to love our new orange bin as well as finger painting with our new color. We continue to review all concepts that have been introduced during morning circle time.

We are so excited to welcome all of our Toddler friends back!!

We missed you!

We are closed on Monday, October 14th.
