Craft and Writing

The children will print the letters Aa, Bb, Cc, Dd, and words that start with these letters on lined paper. The children will be making many Christmas crafts to decorate our classroom and your home.

Math

In Math, the children will continue working on adding, patterns, and geometric shapes.

Language Arts

We will use the letters C and D to make a word chart. The children will review rhyming and compound words throughout the week. The word families *ed* and *an* will also be introduced.

Science

We will study how and why animals survive during the cold winter months. Sorting, pictures of animals that hibernate, migrate or adapt will also help in our understanding of the survival of these animals.
