Language Arts: Families are all unique and special in their own way. We will discuss the importance of families and share our family traditions. We will learn about families through songs and flannel board stories.

Concept: This week we will focus on our new colors, adding brown and purple jobs to our shelves.

Craft & Writing: We will introduce brown and purple in our craft making this week and practice our scissor skills. We will also be making some fun crafts to go along with our "Families" theme. Don't forget to send in your family picture.

Motor: We will practice passing a ball to music and end the week with a fun obstacle course using the stair stepper.
